

**THE 2023 ANNUAL CONFERENCE ON AFRICAN POLITICAL ECONOMY
(ACAPE3) CONVENED BY THE AFRICAN POLITICAL ECONOMY ASSOCIATION
(APEA) CONFERENCE**

**MAIN THEME: FULFILLING THE AFRICAN AGENDA 2063: ADAPTING TO NEW
GLOBAL DYNAMICS**

AGENDA 2063 is Africa's long-term plan for transforming the continent into the global powerhouse of the future. The agenda was crafted by the African Union to mark the rededication of Africa towards the attainment of the Pan African Vision of "An integrated, prosperous and peaceful Africa, driven by its own citizens, representing a dynamic force in the international arena, achievable within the period 2013 to 2063".

The African Political Economy Association in continuation of its contribution towards the total development of Africa will hold the 2023 Annual Conference on Political Economy with the theme: **Fulfilling the African Agenda 2063: Adapting to the New Global Dynamics** on November 17-19, 2023.

Format of the conference: Virtual

Interested scholars are invited to write and present well researched papers for the conference on the **sub-themes**:

- African Unity and Integration
- Africa and the Sustainable Development Goals
- Healthcare and Social Development
- Governance, Democracy, and Political Stability
- Climate Change, Environmental Sustainability, and Resilience
- The Green Economy
- Global Partnerships and Diplomacy
- Technology, Innovation, and Digital Transformation
- Youth Empowerment, Education, and Employment
- Healthcare, Pandemic Preparedness, and Well-being
- Migration, Urbanization, and Social Dynamics
- African Financial Architecture
- Monetary Policy and Financial Stability
- Exchange Rate Dynamics and External Trade
- Financial Inclusion and Digital Currencies
- Capital Flows, Investment, and Capital Markets
- Debt Management and Sustainability
- Monetary Integration and Regional Cooperation
- The Russian-Ukraine Conflict and Food Security in Africa
- The Resurgence of Military Coups in Africa

Abstracts should reach the Organizing Committee on or before September 30, 2023. Abstracts must include three keywords [those who are familiar with the JEL should use its classification system], and not more than 750 words. Successful abstracts will be acknowledged by the first week in October.

For selected or successful abstracts, full papers must reach the committee on or before October 30, 2023.

Please note that only those with full papers would make the presentation and be entitled to the honorarium on data. Papers should be submitted in New Times Roman format with 12in font and one and a half space.

Abstracts and full papers should be submitted to:
